60-62 Sapphire Cres, Merimbula

Your Own Private Haven

Private Inspection Can Be Arranged

Open the front gates to unlock one of Merimbula's hidden treasures. A private haven offering amazing views, this property allows you to scan the horizon from Mirador to Short point, Bar Beach, Merimbula Lake and South to the Haycock headland and beyond.

Lounge by the inviting in-ground pool area after a hard days work - finishing evenings off with a cool drink on either the spacious enclosed balcony (sunroom) or open deck, both taking in the beautiful views.

This grand double brick home sprawls across a double block of over 1400m2, a rare find so close to Merimbula's township. With 5 bedrooms in total and multiple living spaces, there is flexibility for a number of living arrangements. Left as a 5 bedroom home it would be perfect for a large family, however there is added option to separate to a three bedroom home and 2 bedroom apartment/granny flat, each with their own front door access and entry ways. Potentially reap the benefits of Air B&B income, the opportunities are countless!

The front yard offers tonnes of concreted parking space. The backyard is tiered for easy access to the gardens with a variety of fruit trees, ponds and multiple water tanks - established well enough to keep it up or scope to really go to town!

Workshop and storage spaces under the house are truly impressive. Add to this the double garage and two other generous garden sheds..... WIVES -
