This property is 9.8 acres approx. of gently sloping land with a levelled building site ready to go including access to power. The land runs right to the edge of a wetland (currently resembles a lake) and continues up the other side, providing you with the opportunity to position your new home to take full advantage of the magnificent surrounding scenery.

Just 12km south of Eden or only a 10min drive, this property is the perfect piece of land for your dream home. If you have been waiting for that perfect spot then call today for a private inspection. You won't be disappointed.

Please note: This was a bush fire affected property. The house was destroyed and the building site has been completely cleared and is ready for someone to rebuild.
