## Eden Butchery Opportunity

Opportunity has come for someone to take over this incredible local business on the Far South Coast's seaside town of Eden. In three short years the Whiter's have grown this to be a constantly busy shop with great income.

Whiter's are a more traditional style butchery. The business has the resources and equipment to provide just about any meat type, cut, or volume imaginable.

Recently installing a smoking oven, Whiter's are producing some of the finest ham lines, handcrafted small goods, old-style traditional salami, and much, much more. Their newest addition is value-added prepared meals... just heat and eat, a popular treat for the locals!

Within 12 months of opening Whiter's Butchery, have extended their business dealings to Canberra, servicing The National Press Club of Australia and the prestigious Commonwealth Club of Australia, along with many home deliveries to tourists in the ACT who have visited Whiter's and enjoy their sought-after meats.
