Snug Cove Water Front Development Site

InHouse Real Estate proudly presents to the market 1 - 9 By Street Eden, a prime position Water Front Location and the gateway to the Sapphire Coast.

The Expressions Of Interest Campaign will close on Wednesday, 22nd September 2021, at 4pm.

Snug Cove, Eden is one of the most stunning coastal vistas of NSW. Set in a working port on the shores of Twofold Bay, Snug Cove harbours a fleet of fishing, charter and recreational vessels and is the southernmost deepwater harbour in NSW.

You can see boats come and go, the day's catch unloaded and fishermen working on their nets and tending to their boats. Charters depart Snug Cove for fishing trips, diving, whale watching and coastal discovery cruises in Twofold Bay and beyond.

Recently completed, a large scale wharf extension has allowed the port to welcome the Cruise Ship Industry to the area, with regular visits disembarking directly onto the wharf and making the most of local attractions.

The next stage in the development of Snug Cove is a Wave Attenuator and Marina that will bring boat enthusiasts to the area for safe harbour.

This Development site represents an opportunity that cannot be replaced or repeated and for all developers looking to secure a trophy site that will be the heart of the Sapphire Coast, Snug Cove is ready and able.
