Downstairs is an amazing space that completes the home with an extra large double garage and separate workshop room, own WC and another multi purpose room. Under the house is a great extra storage area that also houses the Solar Power Wall that means not only do you have the sun during the day to power the home but also at night! The yards both front and back are fully landscaped, organised and filled with established easier care gardens. Fully fenced yards, a shed for the ride on mower and a horse stable means there is absolutely nothing to do - its all been done for you!

The fact that all this is less than 900m to Pambula Main Street, 850m to the Primary School, 450m to the bus stop and less than 4km to the beach means you really can have it all.

Every corner of this charming home and property demonstrates the level of care and thought that has been put into it. If you are looking for something special to call home, this is a must see!
