The Right Move

An impressive contemporary 4 Bedroom home with Twofold Bay views and located less than 200m walk to Eden Main Street could be just what your looking!

The ground floor is a level entry through the front door into a grand foyer area opening to a huge open plan living room with high curved timber ceiling and featuring polished hardwood floors, big windows that go to the floor that frame the views from the surrounding tree tops to the ocean beyond. On this level there are 2 good sized bedrooms, a modern bathroom and a stunning kitchen with breakfast bar, stone bench tops, quality appliances and walk-in pantry.

The kitchen and living area adjoins a full length timber balcony with privacy screen and glass balustrade taking in the views. The master bedroom on the 1st floor enjoys fabulous views and is an oasis with its large ensuite with separate bath tub and spacious walk-in wardrobe.

A separate, large guest studio on the ground floor has a private entry, includes an ensuite, access to another shared sheltered balcony with water views and an easy thoroughfare to the main house and also the lower backyard. That same balcony provides a great entertainment area adjoining the kitchen. An extra large double garage adds further to the great versatility and convenience of this home.

DA approval exists for the addition of 2 more bedrooms to be built on the lower level with an internal staircase area already in place.
